The Grill Friends™ Super Silicone™ Multi-Use Tongs
Tough Tongs—Won't Melt, Scratch or Bend

The *Grill Friends™ Super Silicone Multi-Use Tongs* are the perfect partner for the Grill Friends™ Super Silicone Stop-and-Go Tongs. The tongs are made from professional strength stainless-steel and black heat-resistant silicone. Don't put your tongs away once the food is cooked. It is the favored tool of chefs, caterers and savvy home cooks to transfer all types of food—even desserts to plates and serving platters.

“It is my secret carving weapon. A good pair of tongs will hold the food steady and won't puncture the meat—like a fork—as I carve it. And, once the food is on the table, they are the *best* serving utensils,” explains Karmel. Besides having all of the same benefits of the Stop-and-Go Tongs, the black and silver look goes with any serving style. These strong 12-inch stainless-steel tongs have an extra-long heat-resistant silicone cushion on the sides for handling comfort and beveled tong tips that make it easier to pick up and get under foods. Perfect for serving, perfect for handling food—and they also are great with a sauté pan or at the grill when you don't need to keep track of the “raw” and the “cooked”! The Grill Friends™ Super Silicone Multi-Use Tongs are sold separately for a suggested retail of \$12.00. The Grill Friends™ Super Silicone™ Multi-Use Tongs are available nationally at kitchen, gourmet and housewares stores, in mail-order catalogs and online at www.BBQPROSHOP.com.

The Grill Friends™ Super Silicone™ Multi-Use Tongs are distributed by Harold Import Co. along with the rest of the Grill Friends line of ceramic serving pieces and outdoor cooking tools including the award-winning Super Silicone Angled BBQ Brush, the first-ever Silicone BBQ Mop, the GrillMat™; the Grill Friends™ Turkey Sitter and Grill Friends™ Chicken Sitter, black porcelain vertical roasters for making “Beer-Can” Style turkey and chicken without the can, the Everyday Brining Bag, the *original* Turkey Brining Bag, the Steakhouse Burger Press, the Super Silicone Blending Fork, the Everyday Basting Brush, Double Kabob Skewers, 3-Finger Glove, Cedar Smoking Papers, the SuperGrater™ and the new line of Perfect-Fit Aprons.
